

# Brunch with The Davis'

## How does one make brunch with the Davis'?

Brunch with this Dynamic Duo combines one cup camp of Lucy and Ricky a pinch of Sonny and Cher sass and tops it off with a hefty heap of loving humor of Homer and Marge!

We take a little lip sync, add some stand up, a dash of live singing along with audience participation and voila we have a Brunch to be remembered!

Mr and Mrs Davis take to the road and the early bird buffets with their matching outfits and loving repartee.
